B. Scope of Work

(a) The service provider shall have to repair/replace following parts of the XBIS as & when required during the contract period:

- (i) X-ray generator
- (ii) X- ray tube
- (iii) High & Low energy detectors (scintillators with photo diode)
- (iv) LED Indicators and Manual Keys & Switches
- (v) Graphic Cards
- (vi) Detector Cards
- (vii) Power Boards
- (viii) CPU, Monitor, Key Board, Mouse, Mother Board of console, HDD, RAM and communication cables etc.
- (ix) Updating and recovery of operating system and KritiScan™ Software.
- (x) Any other parts/required for smooth functioning of XBIS.

(b) Engineers or Technicians, as the case may be, shall visit and carry out routine maintenance/service of the XBIS at least twice every quarter. Copies of reports of routine maintenance shall have to be submitted in the office of DCIT (HQ) (Admin), Room No.329, 3rd Floor, Aayakar Bhawan, Mumbai.

(c) Besides these routine visits, any number of breakdowns or service calls shall be attended to by the engineer/technician within 24 hours of the breakdown/service call during the CAMC period.

(d) The Service Provider shall have to keep a stock of minimum essential spare parts in their custody to avoid delays in repairs.

(e) The Service Provider shall share their escalation matrix with the Dept.

(f) The Service Provider shall intimate the names of the persons visiting for routine maintenance or on call/breakdown with the ITO(HQ)(Security), Mumbai well in advance with the details of their representatives, period of visit, time of visit along with his/their identity cards.

(g) The Service Provide shall ensure that the ionizing radiation emanating out of these four XBIS machines does not cause undue risk to the health of people around the machine or to the environment. The Service Provide shall certify on quarterly basis that the X-ray radiation and safety performance standards of these four XBIS machines are

well within the range and meeting the guidelines and the standards set by the Atomic Energy Regulatory Board (AERB) for X-ray equipment and x-ray tubes, and that the performance of these four XBIS machines conform to any other guidelines issued by regulatory authorities.

(h) There are two XBIS machines at Aayakar Bhawan, M.K. Marg, Mumbai-400020, and one each at Income-tax Officer, Piramal Chambers, Lalbaugh, Mumbai -400012 and Income tax Office, Scindia House, Ballard Estate, Fort, Mumbai-400001. The bidder may visit these site and have look at the machines before to better understand the scope of work. The bidders are advised to visit the above-mentioned site before quoting bid for the tender. Bidder shall be responsible for the above-mentioned scope of services and shall be the Single Point of responsibility for the end user/client officials for the entire contract period.

2. Payment

- i. No advance payment would be made in any case. Payment shall be made on “**Quarterly Work Completion Certificate**” which shall be obtained from the ITO (HQ)(Security), Mumbai.
- ii. The vendor will not have any legal right to proceed against the Department in the event of late payment due to unforeseen reasons.
- iii. No demand for revision of rate on any account shall be entertained during the contract period.

3. Eligibility Criteria:

- (i) The bidder must submit OEM authorization certificates for maintaining the XBIS machines i.e., KritiScan 6040R.
