Dated:-15/12/2025

C I R C U L A R

Sub : Seniority list in the cadre of Tax Assistants for the Years 2018 to 2023.

1. The seniority list of Tax Assistants has been prepared by inter-spacing officials promoted in the respective years, recruited through Staff Selection Commission (SSC) and joined in the respective years, officials who joined on Sports Quota (SQ) in the respective years, officials joined on Inter-charge Transfer (ICT) in the respective years and officials joined on Compassionate Grounds (CG) in the respective years.
2. The officials have been interspaced as per the extant instructions issued by DoPT vide O.M. No.DOPT-1667564806251 dated 16.09.2022. The relevant paras of the said rules are reproduced below:-

"...2.1. SENIORITY OF DIRECT RECRUITS

2.1.1 *The relative seniority of all direct recruits is determined by the order of merit in which they are selected for such appointment on the recommendations of the U.P.S.C. or other selecting authority, persons appointed as a result of an earlier selection being senior to those appointed as a result of subsequent selection. The relative seniority that used to be determined earlier according to the date of confirmation and not the original order of merit, (in case where confirmation was in an order different from the order of merit indicated at the time of their appointment), in accordance with the general principles of seniority, has been discontinued w.e.f. 04.11.1992. The general principles of seniority therefore stands modified to that extent..."*

2.4. RELATIVE SENIORITY OF DIRECT RECRUITS AND PROMOTEEES

"...2.4.5 With effect from 19.11.2019, the determination of inter se seniority of direct recruits and promotees, as laid down by the Hon'ble Supreme Court of India, in its Order dated 19.11.2019 in K.

Meghachandra Singh case will be governed by the following principles:-

ii. The terms 'recruitment' and 'appointment' have to be read harmoniously and the determination of seniority for recruits would depend on their actual appointment and not the initiation of recruitment process itself. It thus follows that the seniority of direct recruits and promotees henceforth stands delinked from the vacancy/year of vacancy.

iii. The source of legitimacy of determination of seniority would be with reference to the date of joining of a person against a vacancy, irrespective of the fact that it may have arisen in the previous year(s) and not being a carried forward vacancy of any quota..."

"...2.4.6 For recruitments initiated on or after 19.11.2019 as well as for future recruitments, in addition to cases where the recruitment process has been initiated by the administrative Department/ Cadre Authority before 19.11.2019, but where all appointments, subsequent to the initiation of recruitment process, could be made only on or after 19.11.2019 i.e. date of order of Apex Court, the inter se seniority of direct recruits and promotes shall be determined in the following manner-

- a) The rotation of quota based on the percentage of vacancies allocated to direct recruitment and promotion in the notified recruitment rules/service rules, shall continue to operate for determination of vacancies to be filled by the respective quotas in a recruitment year.
- b) Determination of inter se seniority between direct recruits and promotees, who are appointed against the vacancies of respective quota, would, however, be **reckoned with reference to the year in which they are appointed i.e. year in which they are borne in the cadre or formal appointment order is issued.** In case, where the recruitment year is the same as the year of appointment, the appointees shall be given seniority of that year.
- c) Where in case of promotees or direct recruits, the year of appointment is the next year or any year subsequent to the

recruitment year, the seniority of such promotees and direct recruits would be determined with reference to the year of their actual joining/appointment to the post. since they were not able to join in the said recruitment year in which the vacancy arose. **Thus, they would get seniority of the year in which they actually join i.e. year in which formal appointment order is issued or they are borne in the service/cadre and that they shall not get seniority of any earlier year (viz. year of Vacancy/panel or year in which recruitment process is initiated).**

“...4.7 Seniority of meritorious sportsmen appointed in relaxation of recruitment rules

Where sportsmen are recruited through the Employment Exchange or by direct advertisement and are considered along with other general category candidates, they may be assigned seniority in the order in which they are placed in the panel for selection. Where recruitment to a post is through a selection made by the Staff Selection Commission, whether by a competitive examination or otherwise, the sportsmen recruited by the department themselves should be placed en bloc junior to those who have already been recommended by the Staff Selection Commission. The inter se-seniority of sportsperson will be in the order of selection...”

“...4.8 Seniority of persons appointed on compassionate grounds

The Scheme for Compassionate Appointment in Central Government inter alia provide that:

(a) The inter-se seniority of persons appointed on compassionate grounds may be fixed with reference to their date of appointment. Their interpolation with the direct recruits/promotees may also be made with reference to their date of appointment without disturbing the inter-se seniority of direct recruits/promotees.

(b) Date of joining by a person appointed on compassionate grounds shall be treated as the date of his/her regular appointment.

The person appointed on compassionate ground in a particular year would be placed at the bottom of all the candidates recruited/appointed through direct recruitment, promotion etc. in that year, irrespective of the date of joining of the candidate on compassionate grounds...”

3. Further, the seniority of the officials joined on ICT is governed by CBDT instruction dated 14.05.1990. The relevant para-graph is reproduced below:-

"...He/she will be placed at the bottom of the list of the employees of the concerned Cadre in the new Charge. Seniority in the cadre in the charge to which person is transferred will start from the day that person reports for duty in that charge. However, he will not rank senior to any official who belongs to a batch selected on merit whose inter-se-seniority is not regulated by date of joining..."

4. In view of the above, the seniority lists have been prepared as per the above cited rules and as per date of joining in the respective years. The direct and promotee officials have been inter-spaced as per the ratio stipulated in the Recruitment Rules. This is followed by the officials joined through Sports Quota, ICT & Compassionate Ground.
5. It may be noted that this list is subject to any subsequent direction/instruction issued by DoPT/CBDT or any judgment/order passed by judicial authorities.
6. Objections against the seniority lists should reach this office by 17.12.2025.
